

## HOW TO FIND YOUR RING SIZE

1. If possible measure a preferred ring .
2. Our rings come only in Sizes I 15.3mm to size Z + 1 22.4mm
3. If the finger is not available for measuring ( ie Maybe a surprise Gift) use a ring from individual's current jewellery collection.
4. Place the ring on the circle within the below chart.
5. The correct size should fit against the inside Edge of the circle.

### Tips for Measuring your finger size

- Your Finger size can change throughout the time of the day and weather climate.
- Best to measure at the end of the day when your fingers are warm . Fingers can be small in the morning when it may be cold.
- Avoid String or paper for measuring as they cause errors.
- Measure your finger up to 4 times to avoid inaccurate measurement of  
Of size.
